

PE and sport premium for primary schools

Most recent guidance on sports premium funding;

Basis of allocation

Allocations for the academic year 2016 to 2017 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2016 census, as follows:

- schools with 17 or more pupils receive £8,000 plus £5 per pupil
- schools with 16 or fewer pupils receive £500 per pupil

Brewood CE (c) Middle School, based on the above, will receive;

£8000 + £5 x 218 pupils = £1090

Total = £9090

Purpose of the premium

The premium must be used to fund **additional and sustainable improvements to the provision of PE and sport**, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year, **to encourage the development of healthy, active lifestyles.**

Further information

The authority or school shall provide such further information as may be required by the Secretary of State for the purpose of determining whether, or to what extent, it has complied with the conditions set out in this document. Failure to provide this information may result in the Secretary of State requiring repayment of the whole or any part of the premium paid to the authority or the withholding of subsequent instalments of the premium.

Terms on which the programme is allocated to schools

The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles. *The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:*

- *employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of schools' core staffing budgets*
- *teaching the minimum requirements of your existing PE curriculum*
