Targetted intervention for pupils currently less engaged in active lifestyles.	currently least active. Daily fitness tasks to be piloted in Autumn 2017 and will be centred around this equipment.
Staff training & development <ul style="list-style-type: none"> • Training in the use of outdoor gym equipment 	TBC	Training for all staff on the use of the equipment so that we can offer a daily session as part of the school day.	Alongside our aim to introduce a 'daily jog' or 'daily activity' this gym equipment could be an integral part of that.
Equipment & resources <ul style="list-style-type: none"> • Improvement of our red gra sprinting track on the school field 	£1320	In its current condition, the track is not safe to use for large groups and definitely not for Sports Day. Improving the track would have whole school impact in terms of our athletics delivery.	Once re-furbished, the track will need annual maintenance to keep it in good order.
Wider curriculum opportunities <ul style="list-style-type: none"> • Purchase of archery equipment 	£557.50	To offer an exciting indoor alternative for use in wet weather situations. To offer an additional activity for pupils less likely to choose to play games.	An archery club will be launched as part of the 'ChooseDay' initiative.
