

Literacy Assessment Online 2016

Reading Ages

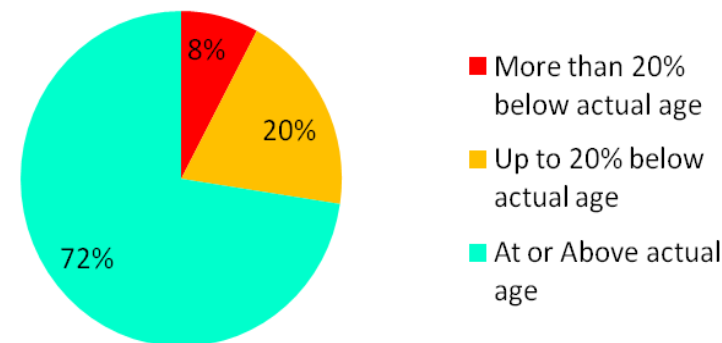

Jan-16 Reading Age

Literacy Assessment Online has been used at Brewood since January 2016.

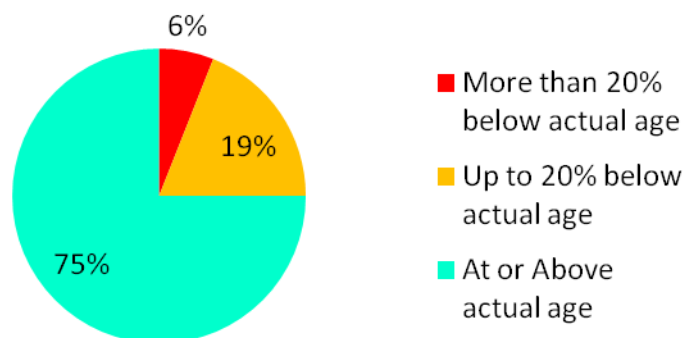

Over the next six months the number of pupils who's reading age was **at or above** their chronological age rose from 63% to 80%.

Feb & March 2016 Reading Age

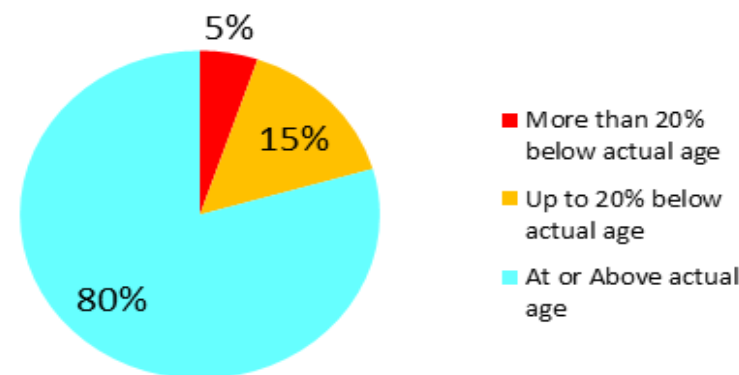

We have found this to be a really useful way of tracking pupils progress and identifying which of them require extra support with their reading and spelling.

April 2016 Reading Age

Literacy Assessment Online 2016

Spelling Ages

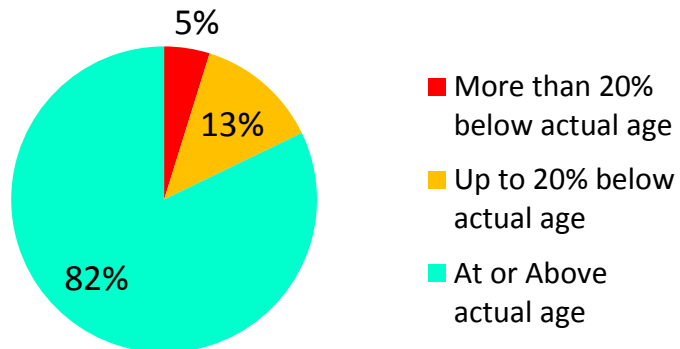

Jan 2016 Spelling Age

Since January 2016 the number of pupils who's spelling age was **at or above** their chronological age has risen from 78% to 85%.

Once again the online tool has tracked pupils progress in an effective manner identifying which of them require extra support and suggesting ways that this can be achieved.
