

## Pupil Well-Being Charter

In the National Society's guidance - 'Valuing All God's Children' (May 2014) it states 'The core purpose of any Church school is to maximise the learning potential of every pupil within the love of God.'

Church of England Schools have at their heart a belief that all children are loved by God, are individually unique and that the school has a mission to help each pupil to fulfil their potential in all aspects of their personhood: physically, academically, socially, morally and spiritually. Schools have a duty to try to remove any factor that might represent a hindrance to a child's fulfilment.

At Brewood CE Middle School, we want all pupils to want to engage in learning in a safe, welcoming and supportive ethos.

We believe that every member of the school community is not discriminated against and has the right to:

- Feel safe and secure
- Be treated with courtesy
- Have equal opportunities
- Be able to learn
- Be valued as a member of the school community.
