BREWOOD CE (C) MIDDLE SCHOOL

A Specialist School For Science and Maths

May 2017

ROCKET BUILDING DAY Saturday 24th June 2017.

Dear Year 4 parents,

As part of our Year 4 transition programme, we would like to invite your family to Brewood CE (C) Middle School to take part in a Rocket building activity.

The session will be run by Mark Walton, Hands on Science company, who I have worked with for many years now.

There will be two sessions available over the day so as many families as possible can join us (I am aware how busy weekends can be with children!).

The aims of the session are:

- for your child and family to visit Brewood and work with the Science department and develop an interest in Middle School science.
- for your child to work with their family to design and build a rocket (don't get too excited, they are made out of paper!)
- to allow your child to become more familiar with the school on a more informal visit.

We really hope you will be able to join us for one of the sessions, please complete the reply slip below and hand it to your child's Year 4 teacher if you are interested. Children need to be accompanied by a family member and siblings are very welcome to come along.

Rocket kits will also be available to buy and take home for a cost of £2.

If you reserve a place for your family and then you are unable to attend, please can you let the school know as soon as possible, as I need to know numbers of people taking part for each planned session.

Yours sincerely,

Mrs Kimber
Leader of Science

Mr D I Swift
Executive Headteacher

BREWOOD C E (C) MIDDLE SCHOOL YEAR 4 FAMILY ROCKET BUILDING ACTIVITY - SATURDAY 24th June 2107.

Name of child..... First School.....
