BREWOOD CE (C) MIDDLE SCHOOL

A Specialist School For Science and Maths

10th May 2017

Dear parents,

Year 5 Showcase

As part of their summer term topic, 'Survival', all Year 5 pupils will be taking part in a charity 'Den Building' day. This will take place on Friday 16th June and we will be raising funds for 'Save the Children.' This exciting activity will involve each of the Year 5 classes completing against each other to build the 'best den' and we would love for you to get involved. We would like to invite you to come along and help your child and their class to build their den. The build will begin in the morning, at 10am and last for the duration of the morning, until approximately midday.

As this event is for charity we are asking for children to provide a donation of £2 to take part (there will be no charge for parents) and refreshments will be provided. Children are allowed to come to school in non-uniform on this day.

In the run up to the big day, we are also asking for any materials which could be used to help to build the dens: material, rope/string, old bed sheets, cardboard, plastic bottles etc.

If you are able to attend during the morning of Friday 16th June, please complete the attached slip.

Many thanks for your continued support.

Kind regards,

Mrs R M Clews
Leader of Key Stage 2
