## BREWOOD CE (C) MIDDLE SCHOOL

A Specialist School For Science and Maths

January 2018

Dear Parents

Payment is now due for the cookery module in Design and Technology. We run a scheme whereby ingredients for the lessons can be purchased from school. This enables school to purchase ingredients in bulk, pass on savings to parents and prevent any last minute shopping.

Having the ingredients in school means that the children do not have to worry about bringing them and enables them to start the lesson on time. I am sure you will agree that this system helps your child to have more time to grasp the essential learning targets of the lesson.

There is no obligation to join the scheme and you are very welcome to purchase and provide your own ingredients for the lessons. If you would like to buy into the scheme, there will be a termly payment of £8. Payments need to be made to school via Parent Pay by Monday 29<sup>th</sup> January 2018

If you have any problems accessing your account please contact our finance department.

If you choose not to join the scheme, please let us know and an ingredients list will be sent home the week before with your child. However, if you do decide to join our scheme it is vitally important that payment is made before your child begins their food module unit so that the correct amount of ingredients can be ordered in advance. Failure to pay the £8 payment will result in your child not taking part in the practical element of the food module.

Thank you for your support.

Yours sincerely

Mr D I Swift  
Executive Headteacher

Mrs V Priestley  
Assistant Headteacher
