BREWOOD CE (C) MIDDLE SCHOOL

A Specialist School For Science and Maths

20th November 2017

Dear parents,

As we are now into the second half of our autumn term I would like to inform you of some of the events coming up before the end of term.

As you are aware, before half term Year 6 went to Dudley Zoo to consolidate their science work from this term. This was a very successful visit with pupils able to get actively involved and handle a variety of animals including chinchillas, cockroaches, snakes and lizards. All pupils thoroughly enjoyed this visit and will be following this up with a piece of writing, and a debate, all about zoos.

Also before half term, Year 5 visited RAF Cosford as part of their English and humanities topic. This was a very 'hands on' experience with pupils taking part in a mock air raid. They then had the opportunity to explore the museum and observe a range of artefacts from different periods of history.

Many of our Key Stage 2 children also spent three days and two nights at Conover Hall. This was a fantastic visit and all staff were incredibly impressed by the determination, team work and courage shown by all of our children as they tackled the various activities on offer.

At the end of the term I would like to invite all parents to a showcase where all the key stage 2 staff and pupils would like to share with you all the fantastic work they have produced this term. For Year 5 the showcase will take place on Wednesday 13th December and for Year 6 Tuesday 12th December. Parents will be welcome to join us from 9:15am for refreshments with the showcase beginning at 9:30am. The whole event will take no more than an hour; during this time pupils will share their highlights of the term, as well as you having the opportunity to walk around school, looking at displays and pupils work. I hope you will be able to join us for this special event.

Many thanks for your continued support.

Yours sincerely
