BREWOOD CE (C) MIDDLE SCHOOL

A Specialist School For Science and Maths

September 2016

Dear Parent

We are writing to introduce you to our after school Homework clubs, which are open to all pupils. KS2 Homework Club is open to pupils in Years 5 and 6 and is based in the Open Plan ICT area, KS3 Homework Club is open to pupils in Years 7 and 8 and is based in the Internet Café. Pupils in both clubs have access to the School Library which will provide an opportunity for them to take Accelerated Reader book quizzes and to change their Library book. We are always keen to offer the very best facilities to our pupils and to encourage effective learning. Homework club, which is fully funded by the school and not through external grants, provides the opportunity for children to develop independent working in a supportive environment.

This facility will be available each evening from Monday to Thursday from 3:30pm until 4:30pm. The first session will be on Monday 19 September.

The children will be working in a productive homework environment where we will provide encouragement and support as they build on their independent research skills. There is no charge for this service.

You will not be required at this stage to make a firm commitment to specific sessions, however numbers will be limited and therefore we would be most grateful if you would complete and return the section below stating the reasons that you would like your child to attend. We will then contact you to confirm that a place has been granted.

We appreciate that your child may like to bring a small drink or snack, providing it is something that can be consumed while working; we have no objection to this. In case of emergency there is telephone access in the library until 4:30pm, if you should need to contact us. However, we must stress that we do not have facilities to supervise your child after this time.

Yours sincerely
