BREWOOD CE (C) MIDDLE SCHOOL

A Specialist School For Science and Maths

29th January 2018

Dear Parents

Year 6 SATs Information Evening - Wednesday 28th February 2018

As you are aware, your child will sit the compulsory national tests in May 2018 - known as SATs (Standard Assessment Tasks). During Key Stage 2, pupils have been working towards these tests which will judge attainment of each child compared with those of other children in England.

With this in mind, we are holding an evening meeting on Wednesday 28th February in the school hall. The meeting will last for approximately 30 minutes and will cover the following:

- What kind of tests pupils will be given for Maths and English in May;
- What the school is currently doing to prepare your child for the test;
- How you can help your child at home;
- Some useful website/apps to support pupils' learning;
- How the school/parents can help pupils with techniques of dealing with tests/exams generally.

There will be some samples of test papers to look at and discuss. There will also be some examples of revision booklets and other resources to support learning which can be purchased from the school.

The meeting will be led by Mrs Clews (leader of Key Stage 2), Mrs Thomas (leader of English) and Mrs Shaw (leader of mathematics).

I strongly recommend that you attend the meeting with your child and look forward to seeing you. Refreshments will be provided from 5:30pm onwards.

Yours sincerely

Mrs R Clews
Leader of Key Stage 2
