

Brewood C of E (C) Middle School
Public Sector Equality Act Overview
Equality Objectives
2016-17 Objectives

Objective One – Improving Curriculum Access

- To ensure classrooms are optimally organised to promote the participation and independence of all pupils in line with the "Dyslexia friendly status" criteria . Following a school audit the SENCO will lead on this initiative from October 2017.

Objective Two – Improving the delivery of written information

- To improve the availability of written materials in alternative formats, ensuring all parents/carers have access to our school information in a variety of forms - including larger print and alternative languages.
- To make available, on request, school brochures, school newsletters and other information for parents in alternative formats.
- From October 2016, to improve access for all by emailing home all newsletters and school reports so that parents receive these promptly and are able to alter the document accordingly to meet their needs. This is being achieved by the purchase and launch of the new 'In Touch' e-mail system.
- The following statement will be included regularly in school communications ie. In every Headteacher newsletter:

'Please tell us if we can make it easier for you to :

- **Access our building**
- **Access school information**

Please contact the school office to discuss your needs in detail so that we can arrange this for you.'

Objective Three – Improving the Physical Environment

- To ensure lifts, which are sited in three school locations, are upgraded or replaced so that disabled pupils or adults have consistent and reliable access to all areas of the school building.
